## [TO BOOK](#)

Please contact Head Office

Telephone: 020 8867 2727 Monday to Friday, 9.00am - 2.30pm

During the summer holidays, AE Tuition is offering another opportunity to sit an additional mock examination. Many AE Tuition Year 5 parents wish their children to do additional mock examinations under test conditions and currently utilise the services of other examination providers. However, some of these providers do not give useful follow up or feedback that adequately informs the parents of their child's performance and potential weaknesses. In response, AE Tuition is offering further mock examinations at an extra cost that is competitive. These examinations are additional to the examinations completed as part of the year 5 course.

- Your child will be able to sit a GL Assessment style mock examination (2 papers) and/or an English mock examination (1 paper), and/or a Maths mock examination (1 paper) and/or a Critical Thinking Skills mock examination (1 paper - specific to Reading Boys - FSCE, therefore this mock is aimed at children sitting the Reading Boys exam). These papers are written and produced by AE Publications Ltd and closely resemble the real examination your child will sit in September this year. They will be invigilated and conducted in the same way as the actual examination. The mock examinations will take place at our Langley tuition centre (there is no remote option available as these additional mock examinations are designed to replicate the real examination as closely as possible).
- Uniquely, AE Tuition will provide full feedback on all aspects of the examinations and a teacher will go over every question with the pupils immediately after the examinations.
- A full breakdown of your child's performance will also be made available detailing any weaker areas which can become the focus for improvement.

## **COST**
